Alan Villavasso proposed a special day for a social event to be hosted by Bogan Community Center, on May 25, 2022. The event will be non-competitive, but rather a day of fun and socializing. It was recommended that rather than giving medals for this event, consider giving Certificates of Participation. After discussion, a motion was brought to the floor to give each participant a Certificate of Participation for the proposed Social Event. The motion was seconded and passed unanimously.

Alan is working on getting refreshments for this event. Updates will be available at the next meeting.
- Alan discussed the idea of a mascot for the Gwinnett Golden Games.

Communication to members will be through email, thanks to Richard Porter. The process has been very smooth and well received.
- Memorandum Of Understanding

It has been determined that the MOU for Gwinnett County is not necessary as we are partners in the operation of the games.

- Rules Review
Rules for the games will be reviewed by a committee to enhance the games experience and make the games more competitive with head-to-head competition instead of playing for a score. Results will be presented after the committee has met.
