

Gwinnett Senior Golden Games

Ladder Ball

Two teams of two people (same age group when possible). Object of the game is to toss underhanded the bolas while trying to wrap them around the steps of the ladder.

- 3 bolas per team
- Darker bolas go first
- Players alternate throws
- Score is counted
- Winner of round starts next round. If tied same team starts next round.
 - Scoring
 - Top rung of ladder-3 points
 - Middle rung of ladder-2 point
 - Bottom rung of ladder-1 point
 - Point difference is scored only. For example, if both teams have a bolas on the top rung, the points cancel each other out and no score for those bolas.
 - First team to 15 wins. The score must be exactly 15. If it is over 15, then that player/team scores no points that round.
 - Individual scores will be recorded. Player may play more than one round to balance out competition. First round score will be the score recorded.
- Players ages 50-60-boards are 15ft apart.
- Players ages 61-70 boards are 13ft apart.
- Players ages 71-80 boards are 10ft apart.
- Players ages 81 and up boards are 8ft apart.
