

GWINNETT SENIOR GOLDEN GAMES

Billiards

- **Objective**-From a rack of fifteen (15) balls, make as many balls as possible in any order, in eight (8) turns.
- **Turn**-Shoot balls until you miss or scratch-counts as a turn. Continue play until player has missed or scratch for a total of 8 times.
- **Additional Racks**-If you pocket all the balls on the table before missing or scratching 8 (eight) turns, balls will be re-racked and play will continue till 8 (eight) turns are complete.
- **Break**-Break shot must pocket a ball. No ball pocketed-break counts as a turn/miss.
- **Scratch**-All scratches are ball in hand and can be placed anywhere on the table.
- **Warmups**-Players may choose to warm up with a rack of balls and shoot no more than ten (10) shots.
- **Scoring**-Total number of balls pocketed before missing or scratching 8 turns.
- Winner is determined by highest number of balls pocketed per age division.
